

DX-6020

Wireless Optical Mouse

Genius introduces a new compact wireless optical mouse – DX-6020. It gives you the comfortable, intuitive control you want for your notebook and laptop.

Featuring a precision 1200 dpi optical engine, DX-6020 provides great cursor control for browsing documents or Internet pages. The contoured shape is suitable for either hand and gently curved sides give your hand the support you need for all-day comfort. A convenient pico receiver snaps into the mouse for easy transport or storage. The Stick-N-Go mount keeps your mouse secure when you're moving around the office. To save on battery purchases, DX-6020 is designed with only one AA battery and a power switch is added to extend the battery life. With the G-stream optical sensor, you get better tracking and precision on virtually any surface – even on dusted glass. The DX-6020 is the ultimate choice for a versatile, comfortable, and dependable mouse.
